WORK EXPERIENCE:

- I worked as a Web Developer at AmazyWeb from February 1, 2015 to March 31, 2017. This company is working based on developing web sites according to client's necessity and give the best result to the world to get the new opportunities. As a Web Developer, I have to consult with clients to develop and document Web site requirements, to develop databases that support web applications and web sites, and worked with other web application according to client's requirements.

- After then, I was working as an Assistant of Analyst at Revokarma Hub Software & Services Private Ltd from 18th September, 2017 to 26th January,2020. It works with different projects related to Data Analysis, Data Verification, Sentiment Analysis, Image Analysis, and Audio Transcription. I am responsible for the duties of Internet Analyst, such as to work with different projects of company, to analyze data by providing Human Intelligence to the machine learning algorithms., and fulfill the criteria of clients with accurate judgement.

- I have resigned due to Covid-19 as well as care of my little baby.
