PROFILE

I am a '95 born, young and enthusiastic. I have working experience of total 6 years (since 2013). I was managing projects in an IT company up till now (2019). I can fit in role of Project Manager / Team Leader, based on my experience. I believe and act in delivering a complete end to end solution to all clients. I would be more than happy to work with your company and do some amazing work.

SKILLS

1. Programing (PHP core & MySQL for databases)
2. Designing (Web design, Graphic Design)
3. Team leader (have lead pack of 5, rest freelancers)
4. Project Leader (I handle all projects that company takes, all of them)
5. Client Communications
6. Pricing and budget of Clients
7. Recruitment & HR (I recruit my team, for all of the company)
8. Server Management (Server, Domain, Renewals also included)

SERVICES WE PROVIDED

1. Websites (150+)
2. Software (10+)
3. Digital Marketing (5+)
4. Graphic & Print Design (10+)
