EMPLOYMENT HISTORY

Over a journey of 13 years as a designer, I learned many techniques and proficiency in user design. My Career started as a Graphics designer and progressively move ahead as a web and UX expert. I learned to identify and incorporate consumer needs into user-centered website designs. I have also widely read users' mind, their interaction on interface and product flow, finding loopholes in design to make it more user-friendly and straightforward. Instead of me narrating my skills, you can know more about them below.

Adobe Illustrator, Adobe Photoshop, Character Design, Drawing, Professional image Editing, Layouts, Logo Design, Portrait, Poster design, Sketch, UI/UX, User Interface Design, Vector Design
