Profile

As a Ui/Ux designer, I have a passion for combining creativity & tools to form a perfect design. My empathetic nature comes in handy in my work. I use imagery and lucid visuals to express my ideas while keeping the User experience & Usability in mind.

Experience

Mohar (Currently working)

UI/Ux Designer

- As a UI/UX designer, I have been working with Figma & Wix to develop projects that meet the needs of clients.
- Creating user interfaces and experiences that are tailored to each individual client's requirements.

Eta Solution (Nov 21' - May 22')

Graphic Designer

- During my internship, I got a chance explore the Design art, layouts, and colour story in line with brand vision
- I gained valuable insight into different roles such as HR, Sales, & Management. These experiences broaden my horizons.
