EXPERIENCE

ReactJS Internship trainee

Seaflex technologies pvt. ltd.

01/2023 - present

As a trainee in software development at Seaflex Technologies pvt. ltd., I was provided with training in ReactJS by my mentor, which helped me gain valuable knowledge and experience in web development.

Through my internship at Seaflex Technologies pvt ltd, I gained valuable experience in web development, improved my programming skills in ReactJS and gained an understanding of software development workflows and team dynamics. Overall, it was a rewarding experience that prepared me for a career in software development.
