

## Professional Web Developer

# Partho Goswami

### Professional summary

I am a highly motivated Web Developer with 3+ years of experience in the field. My expertise is in creating, developing and maintaining websites using HTML, CSS, JavaScript, PHP and MySQL. I have a deep understanding of the latest web-related technologies, design principles and coding techniques. I have been successful in developing websites that are user-friendly, reliable and efficient. My best qualities are my attention to detail, my problem-solving skills and my ability to think outside the box. I am also an excellent team player who is able to work independently and collaboratively in order to meet deadlines.

### Experience

#### Wordpress Developer

May 2023 - November 2023

Unlimited wp pvt Ltd. / India, Ahmedabad

As a Wordpress Developer at Unlimited wp pvt Ltd., I utilized my strong knowledge of HTML, CSS, and JavaScript to create visually appealing and functional websites for clients. I also worked closely with the design team to ensure seamless integration and implementation of custom features.

- Developed custom Wordpress themes from scratch
- Created responsive designs for mobile compatibility
- Implemented SEO strategies to improve website visibility
- Collaborated with cross-functional teams to meet project deadlines
- Troubleshoot and resolved technical issues for clients
- Maintained and updated existing websites with new features and content
- Conducted thorough testing to ensure optimal functionality

#### Associate Software Engineer

August 2021 - January 2023

Percoyo Pvt Ltd. / India, Bangalore

At Percoyo Pvt Ltd., I worked as an Associate Software Engineer from August 2021 to January 2023. During my time at the company, I gained valuable experience in developing and testing software solutions for various clients. I also collaborated with cross-functional teams to deliver high-quality projects within tight deadlines.

- Developed and tested software solutions
- Collaborated with cross-functional teams
- Delivered high-quality projects
- Met tight deadlines
- Participated in code reviews
- Assisted in troubleshooting and debugging

## PHP Web Developer

August 2020 - April 2021

MusafirBazar / India, Dhanbad

As a PHP Web Developer at MusafirBazar, I was responsible for creating and maintaining dynamic and responsive websites for the company's clients. I utilized my expertise in PHP programming language to develop custom features and modules that enhanced the user experience and increased website functionality.

- Developed custom features using PHP
- Created responsive websites
- Enhanced user experience
- Increased website functionality

### Internships

## Web Developer Intern

January 2020 - May 2020

IB Arts Pvt Ltd. / India, Bokaro Steel City

During my time as a Web Developer Intern at IB Arts Pvt Ltd, I gained valuable experience in developing and maintaining websites for clients. I collaborated with a team to create visually appealing and functional websites that met the needs of our clients. My internship at IB Arts allowed me to apply my knowledge of web development in a professional setting and further develop my skills in HTML, CSS, and JavaScript.

Assisted with website design and development

Implemented new features and functionality

Conducted cross-browser testing

Collaborated with team for client projects
