

# Patel Maaz Salim

Sr. Quality Assurance Engineer | Manual Tester |  
Software Tester | Tester | Shopify Tester

Contact No: +917284920613

E-mail: maazpatel93@gmail.com

## **Present Address:**

Dadabhai Nagar,  
At &Po: Kathor, T: Kamrej, D: Surat  
Gujarat (INDIA) -394150.

## **CAREER OBJECTIVE**

Skilled Web Tester has 7+ years of experience testing websites from an end-user role to ensure they function appropriately. Seeking quality assurance position within a fast-paced company where a strong knowledge of quality assurance processes will be applied to the quality output of finished goods. Excellent Communication Skills, team-oriented mentality, and thoroughness of task completion.

## **HIGHLIGHTS**

- Result-driven Quality Assurance professional with solid knowledge in Manual and Mobile Application testing and extensive experience in software development methodologies including both Agile (Scrum) and Waterfall models.
- Worked Closely with International Client Such as Australia, Canada, USA, German based and UAE Government's Projects.
- Proven expertise in test design, test development, and QA of cost-effective enterprise level application systems, middleware, and web solutions that exceed client's business requirements and expectations.
- Successfully completed set of software testing projects for Content Management (CMS), E-Commerce, WordPress, Shopify, Manufacture and Packaging domains. Provides excellent testing and feedback regarding issues.
- Proven experience using test management and defect tracking systems such as Mentis, ASANA, Click up and JIRA.
- Makes recommendations for solutions after problem identification
- Experience in performance of Build Validation and Verification, Positive and Negative, Boundary Values Analysis, Equivalent Classes partitioning, Smoke (Sanity), Functional, Integration, System, Regression, Ad-hoc (Exploratory), Cross-Browser, User Interface, and User Acceptance tests.
- Proficient in multiplatform (Windows. Linux, MacOS) and cross browser testing (IE, Firefox, Chrome, Safari, Opera) as well as Mobile testing on different devices (Android, iOS, Windows Phone).
- Strong understanding of Software Development Life Cycle as well as Software Testing Life Cycle.
- Self-driven and self-motivated person with great communication and presentation skills.
- Comfortable working as a member of integrated team as well as independently.

## EXPERIENTIAL LEARNING

### 1. Dynamic Dreamz

June'23 to Currently Working

(Senior QA Engineer)

- Taking a leading role in functional and integration testing of web-based E-Commerce web portal with back-end custom applications which are based on Shopify themes.
- Responsible for conducting smoke, functional, UI, regression testing as well as ad-hock testing of developed web application.
- Working as a liaison between business team and development team, translated business specifications and requirements into functional test cases.
- Working closely with the development team both onshore and offshore on analysis & design to meet business requirements and site roll out.
- Working directly with cross-department management members to educate, train, and aid in integration and roll out of applications.
- Test the applications compatibility on different browser versions (IE, Firefox, Safari, and Chrome) across multiple platforms (Windows, Linux, Mac OS)
- Utilized JIRA & ASANA as a bug tracking system.
- Working Closely With Canadian Client Based Projects (Macro)
- Engage in testing of project related specifications and requirements for completeness and correctness during early phases of SDLC.

### 2. SecureMetasys InfoTech

Oct'20 to May'23

(QA Engineer)

- Responsible for manual testing on Web & Mobile Applications.
- Worked closely with UAE Government Projects (For TADRA)

### ACADEMIC CREDENTIALS

Qualification	Board/University	Year	Percentage
B.E. (Electronics and Telecommunication Engineering)	Gujarat Technological University	2011-2014	6.6/10 (C.G.P.A.)
Diploma (Electronics and Communication Engineering)	Gujarat Technological University	2008-2011	7.15/10 (C.P.I.)
High School (S.S.C.)	G.S.H.E.B.	2008	74.15%

### INTERPERSONAL SKILL

- Ability to rapidly build relationship and set up trust.
- Confident and Determined
- Ability to cope up with different situations
- Emotional intelligence
- Team-working

- Negotiation, persuasion and influencing skills
- Conflict resolution and mediation
- Client Communication
- Problem solving and decision-making
- Expert in Finding Root Cause of issues
- Test to break attitude

## TECHNICAL SKILL

- Knowledge of SDLC, STLC
- Test Cases, Test Plans, Load Testing, Functional Testing, Agile Testing, Performance Testing, Usability testing
- Agile Methodologies
- Security testing
- Bug tracker Tools: Mentis, Asana, Git
- Non-Functional testing
- Methodologies: Agile, Scrum, Waterfall
- Architecture: client server, web based and mobile applications
- Operating Systems Windows 2000/XP/7, Linux, Mac OS
- Cross Browser Compatibility
- Web Applications testing
- E commerce testing
- Automation Tools: Sound knowledge of JMeter, Selenium IDE, Postman
- HTML 5, JavaScript, jQuery
- Integration testing
- Mobile Application testing

## ACADEMIC PROJECT

- **Digital Audio Water Marking**  
Duration: Final Year Project (B.E.)  
Job Role: Programming on software and Prepare Documentation
- **Automated Line Follower Robot**  
Duration: Final Year Project (Diploma)  
Job Role: Circuit designing on Software and Prepare Documentation
- **Doctor Finder**  
Duration: 3 Months Project (Tops Tech)  
Job Role: Prepare HLR, Test scenario, Test case, Defect Report

## VOLUNTEER WORKS

- Volunteer in cultural activities in school level
- Volunteer in Robotics competition in college level.
- Taken initiative and supported Thelesamia Test camp in our college.

## ACHIEVEMENT

- Employee of the Year (Secure Metasys Infotech), 2021-22

## INTEREST & HOBBIES

- Travelling
- Watching Movies
- Cricket
