JATIN SEVAK

Android Developer

@ Jatin.s76655@gmail.com   📞 (+91) 7339984968   📍 Udaipur, Rajasthan, India   in jatinsharma001

EXPERIENCE

Android Developer
Summon Electronics

📅 Nov 2023

- Developed package inspection app that collects data like photos of package condition and height and weight of the package.
- Store all this data in AWS S3 Bucket and generate an automatic PDF.

Front End Developer Intern
Whatfind.in

📅 Jan 2023

- Designed and developed a Business Listing website and created a reservation and rating system for restaurants.
- After publishing the website to the users, the customer base grew by 60% in the subsequent month.

PROJECTS

Inspection Genie App
android development, kotlin, aws s3 bucket, mysql

📅 Nov 2023

- Developed an inspection app in which we can take pictures and dimensions of packages and generate PDF of that data ;
- AWS S3 Bucket is used to save the photos and PDF.
- We can see the previous inspection records.

Ev Charging System App (Academic Project)
android development, java, firebase, google maps

📅 March 2023 – Oct 2023

- In This project we used Firebase to store data of customers and save the locations of EV chargers.
- Google Maps API is used to show the EV Chargers location.
- We used Google Sign API to directly sign with Gmail accounts.

Blog Website (Content Management System)
wordpress, php, html, css, bootstrap, jquery

📅 Feb 2022 – March 2022

- Basic Login, Register functionality & Users can post blogs.
- While the admin can manage posts, users, categories, and comments.
