Tejas Thakkar

UI DESIGNER

I'm passionate about crafting exceptional user experiences. With over 7 years in the field of web and mobile design, I've honed my skills to create designs that not only look stunning but also function seamlessly.

Experience

Jan 2017 - Dec 2017

L. Kishanchand Fabrics Pvt. Ltd.

Junior UI Designer + SEO Executive

- I joined L. Kishanchand Fabrics Pvt. Ltd. as a Junior UI Designer. I was responsible for designing inhouse ecommerce magento website www.ebulking.com
- Later, I was assigned to execute some basic SEO activities for Off-page activities and social media posting

.....

Jan 2018 - August 2021

Smartinfosys.net (Webconnect Pvt. Ltd.)

Sr. UI Designer

- Successfully promoted from Junior UI Designer to Senior UI Designer within the first year of employment, recognizing my design skills and dedication.
- Received positive client feedback and testimonials for consistently delivering outstanding design solutions.
- Enhanced the skill set and knowledge of numerous interns and junior designers through the Smart Mentor Academy.

.....

Sept 2021 - Oct 2023

Webforest LLP

Sr. UI Designer

- As a UI Designer at Webforest LLP, I had the privilege of contributing to the creation of visually stunning and highly functional websites and mobile applications for international clients.
- My role included designing projects for crowdsourcing platforms. Specialized in designing for crowdsourcing platforms, addressing the unique challenges and user experience expectations that these platforms present.
