Krunal A. Thaker

Sr. Software Test Engineer

I have accomplished extensive **9+ years** of experience (**2+ as Software Developer, 2+ as Client Support and 5+ as QA Tester**). Skilled in the field of Manual Testing for the different and complex applications including ERP on Web, Window and Android Mobile / Tablet based platforms, HRMS on Web and Android. Adding to that, helped to increase testing efficiency by high rates with technical and logical skills through communication, presentations training and excellent analysis.
