PROFILE

Profile

As a highly skilled web designer with over 6 years of experience, I am deeply passionate about crafting visually captivating and user-centric websites. My proficiency spans a wide spectrum of technologies, including HTML, CSS, JavaScript, jQuery, Photoshop, and modern design tools. My specialization lies in creating responsive designs that elevate the online presence of businesses and deliver exceptional user experiences. I am actively seeking opportunities to contribute my creative expertise and unwavering commitment to excellence to a dynamic web design team.
