## Experience

### INTERNSHIP | ATRYA SCHOOL OF PROJECTS | FEBRUARY 2022

- As a Vue.js Frontend Developer Intern at Atrya Webs . I had the opportunity to gain hands-on experience in building modern web applications using Vue.js, a progressive JavaScript framework. This internship is designed to provide you with valuable real-world experience in frontend development while working on exciting projects under the guidance of experienced developers.

### FEE MANAGEMENT SYSTEM | JUNE 2023 TO NOVEMBER 2023

- During my internship, I had the privilege of contributing to the development of a Fee Management System using Vue.js for the frontend, Laravel for the backend, and MySQL for the database management. This experience provided me with invaluable insights into the complexities of full-stack web development and enhanced my skills in frontend and backend technologies.

### Content Management System | July 2023 To July 2024

As a Laravel Developer with one year of experience, I have honed my skills in building dynamic and user-friendly web applications. During this time, I developed a Content Management System (CMS) that enables organizations to effectively manage their internal operations and details with ease. This CMS was designed to offer flexibility, allowing users to handle organizational information, such as departments, employees, and key contact details, through a secure and intuitive interface.

## Education

- **BCA POST GRADUATION FROM COLLEGE OF BUSINESS ADMINISTRATION | JULY 2022**
- **12<sup>TH</sup> PASS OUT FROM BERHAMPUR CITY COLLEGE. MAY 2019**
