PROJECTS

QXL

- QXL is our one-click solution to access all of your data from QuickBooks or QuickBooks Online by exporting it directly and painlessly to one or more Microsoft Excel spreadsheets. I am responsible for all functionality like UI, Managing data, customizing SQL query and importing and exporting Excel file
- We also offer a FREE QXL trial copy of the software limited to 30 days of use. The evaluation version of QXL is limited to 100 rows of data per table per session.

Support Wizard

- Support Wizard Software is to check all dependencies of QODBC software and also Upgrade all dependencies
- Our QODBC Support Wizard (included with QODBC) is a useful tool that can help you with verifying installation and configuration, testing connection to QuickBooks, executing SQL statements, and raising support tickets. Those purchasing the product will receive Free Support via our Technical Support forum . Program anomalies will be addressed at no charge, and updates will be posted on our website.
