SKILLS

- ❖ Java, C/C++, Basic DSA
- ❖ JavaScript (ES6), NodeJS
- ❖ React, MongoDB, SQL

EDUCATION

- ❖ BCA (IT) | Silver Oak University
 - ❖ XII (HSC) | Prem Vidhya Mandir
- CGPA: 8.26
75%| 2022

ACADEMIC PROJECTS

- ❖ **Movie Website.**
This project involves creating a Movie Tailor Website using HTML, CSS, and JavaScript. The website fetches movie data from a JSON file and displays essential information such as movie trailers and release dates.
- ❖ **Personal Portfolio Website.**
This project involves creating a Personal Portfolio Website using HTML, CSS, and JavaScript. The website showcases personal details, including a photo, biography, skills, projects, and contact information.
- ❖ **Netflix Fronted Clone.**
Used HTML CSS, and JS to create a NETFLIX Front-end Clone.
- ❖ **ChatGPT .**
This project involves creating a ChatGPT clone using HTML, CSS, and JavaScript. The clone interacts with the OpenAI API to fetch responses, simulating the behavior of ChatGPT. The website allows users to input queries and receive AI-generated responses.
- ❖ **Todo List Application**
This project involves creating a Todo List application using HTML, CSS, and JavaScript. The application allows users to input tasks, which are then stored in the local storage of the browser. Users can add, delete, and mark tasks as completed.

POSITION OF RESPONSIBILITY

- ❖ **College Society Management.**
The College Society Management team is responsible for organizing and overseeing various activities and events within the college. As a leader of this society, I have played a pivotal role in planning, developing, and executing projects, as well as handling multiple functions related to college events.

ACHIEVEMENTS / HOBBIES

Achievements

High CGPA and Recognition

- **Academic Excellence:** Throughout my college journey, I have maintained a high CGPA, reflecting my dedication and commitment to academic excellence.
- **Recognition by College:** My consistent academic performance was recognized by the college, and I was awarded a self-development course by Skill India. This course has significantly contributed to my personal and professional growth, enhancing my skills and preparing me for future challenges.

Hobbies

Singing

- **Passion for Music:** Singing is one of my greatest passions. I enjoy exploring different genres and experimenting with my vocal range.
- **Performance:** I have participated in various college events and competitions, where I had the opportunity to perform and share my love for music with others.

Coding

- **Interest in Technology:** Coding is not just a skill but a hobby that I deeply enjoy. I love solving problems and creating solutions through programming.
- **Projects:** I have worked on several coding projects, including web development and web applications, which have helped me improve my coding skills and stay updated with the latest technologies.
