Work Experience

Project Manager

WEQ TECHNOLOGIES LLP-India
Full-time
1 month notice period
June 2024 to Present

As a Project Manager, I am responsible for managing the end-to-end execution of software, website, and app development projects. My role involves closely collaborating with clients to understand their requirements, objectives, and expectations. I ensure that project goals are clearly defined, timelines are established, and resources are effectively allocated.

Project Manager

Cnc it solutions LLP-Mumbai, Maharashtra
Full-time
October 2022 to April 2024

I have successfully managed multiple complex projects across various domains, including E-commerce, Learning Management Systems (LMS), Customer Relationship Management (CRM) systems, and more. I oversee the entire project lifecycle—from initial client consultation through to final delivery—ensuring that each project meets its goals within scope, budget, and timeline.
