

# Farhan Khan

## Front End Developer

✉ mrpathanfarhankhan7@gmail.com ☎ 9558898830 🔗 LinkedIn 🌐 github.com/itsValakx7

### PROFILE

- Frontend Developer with 2 years of experience delivering scalable, user-focused web applications using React and Next.js. Proven ability to lead teams and solve complex UI challenges, with expertise in responsive design, API integration, and GSAP animations.

### PROFESSIONAL EXPERIENCE

#### Senior Developer, Pxl.io

03/2023 – present  
Ahmedabad

- Successfully developed a jewelry image search website for Emerald's internal team, replacing IBM software and improving operational efficiency by 80%.
- Led a team of 5 developers to deliver 8+ projects, ensuring 100% on-time delivery.
- Spearheaded the implementation of responsive design principles, enhancing mobile user satisfaction by 30%.
- Integrated APIs and optimized web performance, reducing page load times by 40%.

#### Frontend Developer Intern, dizayn.io

12/2022 – 03/2023  
Ahmedabad

- Built and optimized reusable front-end components using HTML5, CSS3, and JavaScript.
- Collaborated with senior developers to enhance website accessibility, boosting UX by 25%.
- Participated in code reviews to ensure adherence to best practices and maintainable code.

### PROJECTS

#### Quick Lens

- Developed a platform for jewelry experts to upload or capture jewelry images, which efficiently searches a database of 1 million images to find visually similar matches with 95% accuracy.
- Successfully replaced IBM's software, which previously achieved less than 10% accuracy, significantly enhancing operational efficiency and user satisfaction.

#### The Massian Agency

- Developed a fully responsive website highlighting client services and case studies using Next.js and GSAP for dynamic animations.
- Collaborated with designers to implement a sleek, user-friendly UI, increasing lead generation by 15%.

#### RECHERCHÉ

- Designed and implemented an elegant e-commerce website using Next.js and Firebase for backend integration.
- Built custom animations with GSAP to enhance user engagement, resulting in a 20% increase in session duration.

#### Pxl.io Creative Web Agency

- Engineered a minimalist, visually compelling landing page with seamless navigation, showcasing Pxl's innovative approach to web development.
- Increased client inquiries by 25% through strategic UI/UX enhancements.
