

RESUME

Rashmi Hirani

B.E. (COMPUTER ENGINEERING)

Contact No.: 07228987605

E-mail ID: rashi.19_er@rediffmail.com

CAREER OBJECTIVE:

Seeking a professional job with an opportunity for more professional challenges and to enhance my professional skills in dynamic workplace. Wants to be affiliated with prestigious institution. I aspire to work for an institution which offers career growth and chances to learn and improve my knowledge.

CORE COMPENTENCIES:

- Organizational and problem solving skills.
- Enthusiastic and Co-operative Nature

ACADEMIC QUALIFICATIONS:

Qualification	Name of School / College	Board/ University	Year of Passing	Percentage
B.E. (Computer Engineering)	Venus International College of Engineering and Technology, Gandhinagar	Gujarat Technological University	2018	CPI - 6.74 CGPA – 6.69 SPI -7.19
H.S.C.	C.U.Shah Higher secondary school, Ashram Road, Ahmedabad	GSHEB	2014	46.80 %
S.S.C.	Shree Shastri Vidya Vihar High School, Hansol, Ahmedabad	GSEB	2012	71.80%

ACADEMIC PROJECT DETAILS:

1. B.E. Project Details:

Title of Project: SSIU S3

Guided By : Prof. Ruchita Joshi

About Project: In this Project, I worked in Android software and made an application which runs on android platform. I made an application which is useful for students to collect information about college without creating any chaos. In this application, I made some pages like login page through which student can login and before login student has to sign up for this application. Once student had sign up and login, he/she can get all circulars which are running in colleges. Sometimes it may happen that students are not aware about particular circular and due to this they may lose to get informed about important notices. Students can get notification about circulars. If student finds any query regarding any topic, he/she can ask through this application to the respective faculty and when that faculty login in application, he/she will get notification about query and that faculty can help to student to solve that query. Along with this, if student want to complain about anything to higher authority, he/she can complain about that and it will be confidential as only that higher authority will see that complain. Along with this, student can get syllabus for mid semester exams directly from this application.

SOFTWARE SKILLS:

- Documentation : MS Office
- Data software and Storage : Google Drive and Cloud Storage
- Programming Languages : Android, C, C++, Java, Html, CSS

SEMINARS/ CONFERENCES/ WORKSHOPS ATTENDED:

SR. NO.	Name of the Seminar/ Workshop/ Conference	Place and Sponsored By	Dates
1.	Workshop on – “ Open Source OS- Linux (Ubuntu)”	Held at Venus International College of Engineering and Technology, Gandhinagar and Sponsored by: Super Resource centre- IIT Bombay, open SUSE, fedara, Ubuntu, Red Hat	8 th and 9 th October, 2015

PERSONAL DETAILS:

- Name: Rashmi M Hirani
- Gender: Female
- Marital Status: Single
- Languages Known: English, Hindi, and Gujarati

DECLARATION:

I hereby declare that above mentioned particulars are true to the best of my knowledge.

Date: 12th December, 2019

Place: Ahmedabad
